# AJU R ARCHITECT

Registered to Council of Architecture in 1995. Reg. No. CA/95/18771  
Member of AIIA

## PROFILE

Experienced architect with a deep appreciation for sustainable design and innovative architectural solutions. Possessing a strong foundation in both academic and practical aspects of architecture, I thrive in collaborative environments where I can contribute to creative problem-solving and community enhancement. My experience at a leading architectural firm has provided me with the skills to manage projects effectively and meet client needs while adhering to budgetary constraints.

## EDUCATION

B.Arch, College of Engineering Trivandrum (1987-1992)  
University of Kerala Thiruvananthapuram

## EMPLOYMENT

### Jayachandran & Muralee Associates

1992-2000

Project Architect

- Jayachandran & Muralee Associates was one of the leading Architectural firms in Kerala specialized in apartments, institutions and residences.
- My responsibilities include design development from concept to completion including client meeting and site co ordination.

### Government Engineering College Wayanad

2000 - 2002

Lecturer

Govt. Engineering College, Wayanad one of the 9 Government Engineering Colleges under DTE, Govt of Kerala, started with an Architectural course which was later shifted to Govt. Engineering College Thrissur as per the directions of the Council of Architecture.

- Teaching including project guidance, studio assistance and skill development

### Government Engineering College, Thrissur

2002 - 2005

Assistant Professor

Established in 1957 Government Engineering College Thrissur is one of the reputed technical institutions in South India.

- Apart from teaching my work was mostly focused on the traditional and colonial Kerala Architecture.

### College of Engineering Trivandrum

2005 - 2025

Assistant Professor

The college started in 1939 was the first technical college in the state and is one of the leading institutions in the country. The department of Architecture and Planning established in 1964 is also one of the pioneer institutions in India.

- Apart from teaching I was actively involved in the research and consultancy projects of the Department under the ITC&SR cell. Major projects are listed in the Annexure-1 Apart from teaching I was actively involved in the research and consultancy projects of the Department under the ITC&SR cell. Major projects are listed in the Annexure-1
