About:

An architect-urban designer dedicated to creating thoughtful, inclusive, and well-integrated built environments. Earning a Bachelor of Architecture (B.Arch.) from Marian College of Architecture and Planning in 2020 marked the beginning of a professional journey in architectural practice. A passion for design and urban spaces led to the pursuit of Master of Architecture (M.Arch.) in Urban Design from the College of Engineering Trivandrum (CET) in 2022. Academic and professional endeavours reflect a strong commitment to urban design, inclusive planning, and architectural development. Practical experience includes an internship at Kerala Tourism Infrastructure Ltd., contributing to urban-scale projects, along with managing freelance projects across Kerala.

Interest:

Key areas of interest include architecture, urban design, and inclusive planning, with a continuous effort to integrate these principles into teaching and professional practice.
