About

Former Professor & Head, Department of Architecture at College of Engineering Trivandrum (CET) and also former Dean of PG Studies at College of Engineering Trivandrum (CET) and with more than 30 years of teaching experience. He is an eminent Professor with a passion for teaching and has handled both undergraduate and post graduate program. He holds Bachelor of Architecture degree from Mangalore University (First Class), Master of Architecture Degree from University of Roorkee (with Honours) and a Doctor of Philosophy (Ph. D) from Indian Institute of Technology, Roorkee. He is also a practicing Architect and other work experiences include professional experience as an architect in ESDC (A centre for eco-sensitive and Sustainable development) from August 1990 to September 1995, in association with Padmashree Dr. Laurie Baker.

Interest

The golden opportunity to work with Padmasree Dr. Laurie Baker for five years, immediately after B. Arch, diverted Prof. Edward's interest to sustainability, a passion he pursues even now. He is also very keen on research on the impact of architecture in creating mood (state of feeling) in spaces, especially, in religious architecture. He is involved in many socially relevant projects and was the Team Leader of the Layout Plan development project for both Sabarimala and Pampa for Government of Kerala and High Power Committee (HPC). Member, Advisory Committee for Architectural Design of KSITIL (KeralaState Information Technology Infrastructure Limited) from October 2022.

Achievements

Prof Sunil Edward is an AICTE Expert for offline and online EVC of various Engineering Colleges in India, Member, Board of Faculty of Engineering and Technology, Cochin University of Science and Technology (CUSAT) Kerala from 2019, Board of Studies Member for many Courses in different Autonomous Institutions, Collaborating Expert, Seventh season of Archaeological Excavation at Pattanam by Kerala Council for Historic Research, Kerala, etc.

He has published several papers in International/National Conferences and has been invited for talks at various venues in India and abroad. He is an avid Traveler and has gained vast knowledge and experience through his visits to more than 50 countries abroad and almost all States in India by now.
