Proudly Presented to

m.CAP

In Recognition of Your Valuable Collaboration and Partnership

Helping Hands Organisation (H2O) proudly presents this **Certificate of Collaboration** in appreciation to your institution's valuable partnership and continued support towards the successful Launch of the **Samagrata – H2O's Kadinamkulam Panchayath Inclusive Community Initiative.**

Your commitment to community engagement, volunteerism and inclusive social development has played a significant role in strengthening collaborative efforts that promote disability inclusion, community health, environmental sustainability and social responsibility.

We sincerely appreciate your contribution and look forward to strengthen our partnership in creating inclusive, healthy and sustainable communities.
